# Improving the way you provide indicative terms to your customers at the point of sale

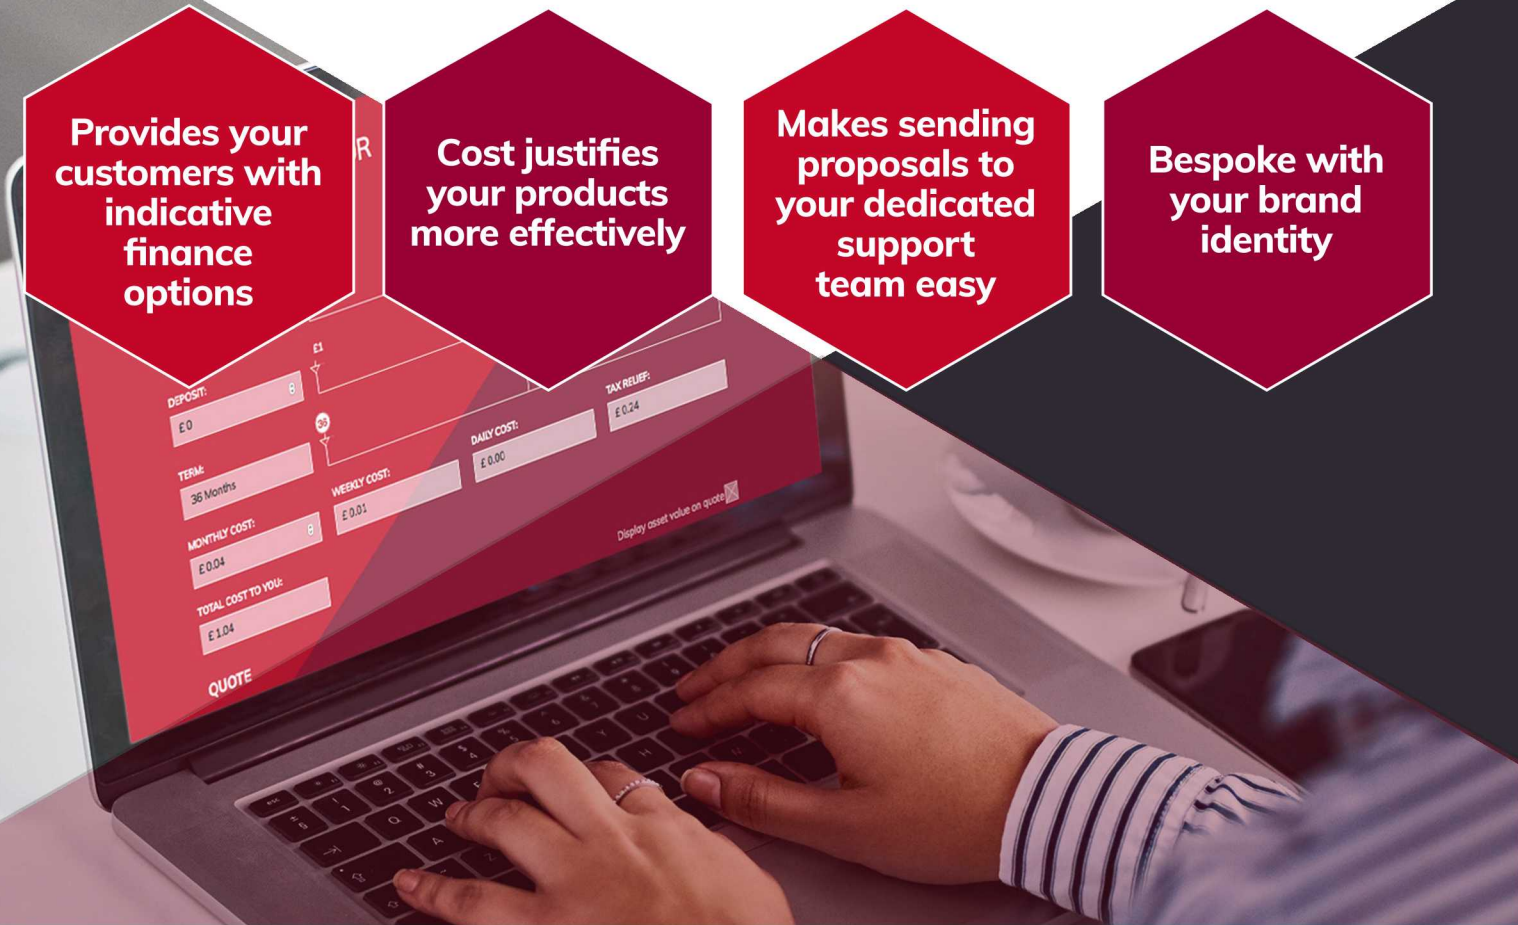

PMD Business Finance is proud to announce our upgraded and effective Sales Tool

Provides your customers with indicative finance options

Cost justifies your products more effectively

Makes sending proposals to your dedicated support team easy

Bespoke with your brand identity

We have made significant enhancements to our Sales Tool, making it more user friendly whilst maintaining our usual high levels of service and proactivity

Call us today on **0161 633 2548**
